IN RE:

Application of FTC Diversified Services, Inc. for a Certificate of Public Convenience and Necessity to Provide Local Exchange and Exchange Access Service to Customers Throughout the State of South Carolina and for Alternative Regulation of Interexchange Services.)	MOTION FOR EXPEDITED REVIEW OF APPLICATION FOR A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO PROVIDE LOCAL EXCHANGE AND EXCHANGE ACCESS SERVICES IN THE STATE OF SOUTH CAROLINA
_____)	

FTC Diversified Services, Inc. ("Applicant") hereby moves the South Carolina Public Service Commission for expedited review of its Application filed in this proceeding seeking the Commission's grant of a Certificate of Public Convenience and Necessity to Provide Local Exchange and Exchange Access Service to Customers throughout the State of South Carolina.

The Applicant submits an expedited review is appropriate in this matter because the South Carolina Telephone Coalition ("SCTC") is the only Intervenor in the proceedings and has entered into a Stipulation with Applicant and therein indicated it has no objection to the expanded authority sought by Applicant. Applicant accepts the conditions imposed upon its expanded authority under the Stipulation with the SCTC as evidence by the verified Testimony of Guy D. Adams, Jr. prefiled in this matter.

Additionally, Applicant currently provides service to certain areas of South Carolina pursuant to a Certificate of Public Convenience and Necessity by this Commission by its Order dated November 20, 1998, Order No. 98-927 in Docket No. 98-489-C and by Order No. 2001-255 issued in Docket No. 2000-567-C. Since the issuance of the aforementioned Orders,

Applicant has served the public and demonstrated its technical, financial and managerial capabilities to provide local exchange and exchange access service throughout the State of South Carolina and it continues to meet all other requirements of certification.

Applicant respectfully submits that, given the Stipulation with the SCTC, removing any objection to the Application from the only Intervenor in this proceeding, and the current service provided to the public by Applicant under prior orders of the Commission demonstrating its ability to maintain high standards of service in compliance with Commission policies, industry standards, rules, regulations and orders of this Commission, it would be appropriate for this Commission to grant expedited review of the Application.

Respectfully submitted,
